## PRAISING GOD'S FAITHFULNESS

### PREPARING FOR WORSHIP

*The ringing bells signal a movement into liminal or transitional space – we are attuning our bodies to look beyond the ordinary toward the sacred. More keenly aware of God's presence, we are invited to gather together in reflective worship, celebrating God's goodness and listening for God's guidance.*

DEPARTING REFLECTION

Valerie Wood, Guest Pianist

This six-foot banner at the PCUSA denominational offices in Louisville, Kentucky was created to illustrate the Peacemaking Offering for World Communion Sunday on October 5, 1997. This design was originally drawn in oil pastels by Dorothea B. Kennedy and was translated into fabric by Gloiela Yau Dolak. As the mountains and hills rejoice, the thirsty of all nations are invited to come to the water; the hungry are invited to come to the table. Everyone is welcome.
