Graduates, remember that you are no more or less than a beloved child of God, whose plan for you looks less like a road map and more like a whole horizon of wild possibility. You don't have to worry about getting it right or getting it wrong, because you will be loved abundantly either way - just go out into this world and make it better, brighter, more beautiful with your very best efforts at whatever you do. Love God and love your neighbor; know you will always have a home here at Millbrook.
