THRIVING AT MILLBROOK

Sometimes faithfulness means holding on.

Sometimes faithfulness means letting go.

Sometimes God invites us to try something new.

Give us wisdom to know what matters most,

and grace to be flexible about the rest.

When plans change, make us curious.

When we disagree, make us gracious.

When the way is uncertain, make us willing.

Keep our hearts open to God and to one another.

We may not always see the same path.

But we can keep listening, keep loving, and keep moving together.
